

Providing Quality Education in the White Mountains Region

April 11, 2022

Dear Parents and Guardians,

White Mountains Community College invites you to attend a special Early College/ Running Start event on our campus. In New Hampshire, recent research shows that parents and guardians are the single most important influence over where your student goes to college.

We invite you to be our guest and visit our Berlin campus, enjoy a meal prepared in our Bistro, meet our faculty, and learn more about what White Mountains Community College has to offer.

We would like to show you and your students how Running Start and Early College opportunities at WMCC can help prepare your student academically for higher education and reduce the overall cost of college.

This event will be held on Wednesday, May 25, 2022, from 5:00pm to 7:00pm. Space is limited, so please reserve early. Registration deadline is May 11, 2020. To register, please contact the Welcome Center at 603-342-3050 or email at ageorgiadis@ccsnh.edu. We look forward to seeing you on May 25th!

Sincerely,

A handwritten signature in black ink, appearing to read "Christine Grant", with a long horizontal flourish extending to the right.

Christine Grant

Coordinator of Educational Partnerships & Access
