Technology Department Newsletter

Please put in a HelpDesk Ticket for any problems you have.

Withdrawn Student Devices

- If you have any extra Chromebooks in your classroom (from students who have moved or withdrawn), please drop them off to us in BES Room 207 or the BMHS Library. Thank you!

Technology Integration

- With so many new staff members joining us this year, we just wanted to put a reminder that Kayla is available to help with technology integration in your classroom. Send her an email or submit a help desk ticket anytime.

2-Step Verification

- Set up 2-Step Verification
  1. Go to the 2-Step Verification page. You might have to sign in to your Google Account.
  2. Select Get started.
  3. Follow the step-by-step setup process.

- Once you're finished, you'll be taken to the 2-Step Verification settings page. Review your settings and add multiple verification methods.

- After the initial setup, you may print out a list of codes that can be used as an alternative to receiving the codes on your phone.

- **Note: Initial setup needs to be done on a PC, not a Chromebook.**

- Due to new security requirements by Primex, our insurance provider, 2-Step Verification will be mandatory starting December 11th. Please set this up before then, and if you need help let us know.

KnowBe4 October Summary

- We had 18 people click on links in our test phishing emails. The graph below shows them broken down by category of the content of the email.

- Please remember that Human Resources will never email you from hr@sau3.org. All human resources emails will come from dpayeur@sau3.org.
Resources

- Classroomscreen.com
  - Classroomscreen is an online tool that allows you to display the instructions for your lesson in a clear and visual way. Choose from over 13 widgets to support your class activities and help students get to work.

- How to turn a Google Sheet into multimedia flashcards using Flippity

- Shifting the TikTok Trend

- Collaborative Brainstorming and Voting Tool

- Screencastify Video Quizzes with Interactive Questions

- 15 Milestones, Moments, and more for Google Doc's 15th Birthday

Tech Days

- November 8, 2021 - STEM/STEAM Day
- November 30, 2021 - National Computer Security Day
