SECOND READING
On a motion by Louise Valliere, seconded by Scott Losier, the Board voted to approve the second reading of policies – IHBG-R – Participation in Public Schools Activities by Home Educated, Charter and Nonpublic Schools, IKFC – Alternate Diploma for Students with Significant Cognitive Disabilities, JF – Enrollment, JJJ – Access to Public Schools Programs by Nonpublic, Charter School, and Home Educated Pupils. SURVEYS
A motion was made by Louise Valliere, seconded by Denise Valerino, to remove the Non-Educational Survey issue from the table. The motion passed unanimously. Discussion ensued. Bob Thompson explained the non-educational surveys. He informed the Board that the School Climate surveys are administered to staff, parents of students, and students in grades 3-12. Parents must "opt in" to permit a student to take the School Climate Survey. The school cannot alter the questions. There is an option for grade 6 to take the Elementary or High School survey. He mentioned he could have put more information on the types of questions on the permission form. Members of the Board felt the "opt in" form should not be general for non-academic surveys. The permissions should be separate per survey. Mr. Thompson will provide an "opt-in" form containing the content of the survey and will provide it to the Board prior to sending it to parents. A motion was made by Denise Valerino, seconded by Louise Valliere to approve surveys based on Board approval of "opt-in" form presented to the Board first. All members voted in the affirmative.

- Trick or Treat for UNICEF
- FCCLA Alzheimer's Awareness Campaign

SUPERINTENDENT'S
The Superintendent informed the Board on the following:
- Cooperative Boys Ice Hockey team. A letter to NHIAA to dissolve the Berlin-Gorham Cooperative Boys Hockey Team was shared. Since there have been no participating students for two consecutive years, it does not constitute a cooperative. Craig Melanson also voiced concern that the Gorham parents must pay for most of the cost. This is not fair to students whose families don't have the resources to pay the cost. Berlin and Gorham would need to draft a new contract to address funding concerns and equitable access for all students.
- Nellie Mae Steering Committee – Imagining the Future of Education Forums at Berlin High School and Gorham Middle High School.
- Request for funding for Destination Imagination
