

Technology Department Newsletter

Don't get hooked by an email scam.

Avoid Phishing Attacks

By the end of 2017, the average user was receiving 16 malicious emails per month.

— Symantec, from the company's [2018 Internet Security Threat Report](#)

Website Unblock Request Link

Here is the URL for the [Unblock Website Request Form](#). Please share this link with your students.

Please don't hesitate to [contact us](#) with any questions!

No Streaming

Please do not stream music, videos, Youtube, etc. for anything other than educational content/lessons. Do not stream background music.

New Google Classroom

One of the best new features of Google Classroom is the new feedback tool. [Check out this article for more information!](#)

ALICE Training

<https://portal.alicetraining.com/Learner/Home.aspx>

You will be receiving an email for the new ALICE training. If you have not done so, please login with your credentials from last year and begin the new ALICE course. If you took the course in previous years, you will see multiple courses available. Start the top course that states Begin Course, under the “Courses in Progress” header - the one circled in yellow in the picture below. Under the “Completed Courses” header, you will see the courses you took in years past. **Do not click Restart Course.** You must take the new course to get credit and print your certificate of completion. If you need your password reset, please click the [Forgot Password](#) link at the login screen.

COURSES

The ALICE Training Institute has developed eLearning courses to enable a successful implementation of the ALICE concepts. Below are the course(s) that you ordered or were made available by your organization.
